**Vancouver, British Columbia February 28, 2024** – Fitzroy Minerals Inc. (TSXV: FTZ) (OTCQB: FTZFF) (“**Fitzroy Minerals**” or the “**Company**”) is pleased to announce a non-brokered private placement offering (the “**Offering**”) of units of the Company (each, a “**Unit**”) at a price of \$0.15 per Unit for aggregate gross proceeds of up to \$1,000,000.

Each Unit shall be comprised of one common share of the Company (a “**Common Share**”) and one-half of one Common Share purchase warrant of the Company (each whole warrant, a “**Warrant**”). This news release does not constitute an offer to sell or a solicitation of an offer to buy nor shall there be any sale of any of the securities in any jurisdiction in which such offer, solicitation or sale would be unlawful, including any of the securities in the United States of America. The securities described herein have not been and will not be registered under the United States Securities Act of 1933, as amended (the “**1933 Act**”) or any state securities laws and may not be offered or sold within the United States or to, or for account or benefit of, U.S. Persons (as defined in Regulation S under the 1933 Act) unless registered under the 1933 Act and applicable state securities laws, or an exemption from such registration requirements is available.

### **Amendment to Previous Disclosure Regarding Caballos Finder's Fee**

Further to the Company's press release dated February 6, 2024, the cash portion of the finder's fee to be paid in connection with the Company's acquisition of the Caballos copper project will be \$65,000 and not \$67,500 as previously disclosed. The Company confirms that this finder's fee arrangement with Marrad Limited (a company controlled by Mr. Merlin Marr-Johnson, the Chief Executive Officer, President and a director of the Company) was negotiated prior to Mr. Marr-Johnson's appointment to the Company's board of directors and as an executive officer of the Company. As such, at the time of the settlement of the Caballos option and finder's fee terms, Mr. Marr-Johnson was not a Non-Arm's Length Party (as defined under the policies of the Exchange) to the Company.
